## **I – THE OBJECTIVES OF THE RUDOLF NOUREEV COMPETITION**

The Competition, open to students and young dancers of all nationalities, has the specificity of honoring the repertoire of the famous dancer-choreographer. Supported by the Foundation Rudolf Noreev, the Competition will allow the transmission to the younger generations of major and fundamental choreographic works which still today constitute the repertoire of the most important companies in the world.

The main objectives are:

- 1) To allow the participants to perfect themselves with important pedagogues, étoiles dancers and coaches.
- 2) Enhance the talent of a young artist who is still a student or already a professional dancer.
- 3) Experience a privileged moment of training and meeting with the public and with professionals from the world of dance.

## **II – REQUIREMENTS FOR THE PRE-SELECTIONS. STUDENTS AND PROFESSIONALS**
